# THE EPOXY *Alternative* to Polished Concrete

Hyper Flake® is a decorative flooring system that captures the beauty and warmth of a natural stone finish. An alternative to the traditional polished floor, offering a consistent polished concrete look and a finish that has been formulated with durability at the forefront of requirements.

Hyper Flake® Systems completed in our Crystal Finish have a deep, glossy, glass like seamless finish offering a modern, durable, hygienic and grout-free floor.

The Crystal Finish results in an easy to maintain long term solution.
